

BIS Paper: Bank Boards- 17.3.2020

BIS recently came out with a Research Paper taking stock of Board affairs in various jurisdictions, as regards:

- Fit and Proper (F&P) criteria;
- Regulatory powers to approve board candidates;
- Board composition; and
- Independent Directors.

The paper also, based on our stocktake, provides guidance on board governance to further strengthen the quality of bank boards with an aim to enhance confidence in the financial system.

The full report is available on:
